MAY WE HAVE A MOMENT OF YOUR TIME?

1% OF YOUR TIME TO BE EXACT

YOU COULD HAVE BEEN ANYTHING

An aerial photograph of a dense urban landscape, likely Tokyo, viewed from a high vantage point. The city is covered in a semi-transparent green filter. On the right side, a portion of a modern skyscraper with a grid-like facade is visible. The sky is filled with soft, white clouds.

YOU CHOSE TO BE A DESIGNER

WHY?

A photograph of two surgeons in an operating room, overlaid with a green tint. The text "DOCTORS SAVE LIVES" is centered in white. The surgeon in the foreground is wearing a blue surgical cap and mask, looking slightly to the side. The surgeon in the background is also wearing a blue surgical cap and mask, looking down. The background shows a white wall with a window and a surgical light fixture.

DOCTORS SAVE LIVES

DESIGNERS_____.

The image is a full-page photograph with a strong green color cast. It depicts a city skyline in the background, with several tall buildings visible against a bright, hazy sky. In the foreground, a large, flat, open area is filled with many people, appearing as small silhouettes. They are walking or standing, suggesting a public space like a park or a wide plaza. The overall mood is serene yet vibrant due to the monochromatic green tint.

A photograph of a coffee machine with a glass carafe, overlaid with a green tint and the text "1% OF AN 8 HOUR DAY IS 4.8 MINUTES". The coffee machine is white with a glass carafe and a control panel with four buttons. The background is a light-colored wall. The text is in a bold, white, sans-serif font, centered horizontally and slightly above the middle vertically.
