Bay to the Beach

North-South Route

## Connecting the City Goals

- By the end of 2011, three continuous miles of separated bikeway completed along the Bay to the Beach Route.
- By 2015, all three priority crosstown routes (Bay to Beach, North-South and Waterfront) completed resulting in 25 miles of continuous bikeway.
- By 2020, a record 100 miles of continuous bikeway and 20% of trips by bike, achieving San Francisco's newly adopted goal.
