South Ocean Beach

+ PROJECT GOALS : rate your priorities 1-6 *(refer to Board #2)*

Improve pedestrian and bike connectivity and access through a multi-use coastal trail, linking disconnected open spaces

Provide open space amenities and needed facilities for beach-goers and visitors

Enhance the appearance of the site, while maintaining its rough, natural, beauty

Protect and restore habitat by restoring natural bluffs and dunes using a California native planting palette

Improve ecological performance with elements like low-impact design and stormwater treatment

Protect the existing infrastructure, in particular the Lake Merced Tunnel

+ PHASING : which is your priority? why?

(refer to Board #3)

quick, temporary improvements

semi-permanent coastal trail and facilities

long term change and adaptation

+ CIRCULATION : where do you go?

complete workshop activity, and/or describe here:

+ HOW DO YOU USE SOUTH OCEAN BEACH? : what activities do you like?

+ PROJECT GOALS : rate your priorities 1-6 *(refer to Board #2)*

Improve access and amenities at Ocean Beach to benefit its diverse users, including pedestrians, cyclists, surfers, and beach-goers

Create memorable sense of welcome and arrival at Ocean Beach.

Build on existing site character to develop unique gateway

Improve ecological performance with elements like low-impact design and stormwater treatment

Reduce the amount of impervious asphalt and increase vegetated areas where possible to enhance beauty of the site

Preserve and enhance current uses of site including event capacity, “sunny day” crowds, and every day use

+ CONCEPTS : which is your favorite? why? do you like elements from each one?

(refer to Boards #4&5)

native planting gateway

maximum lot capacity

+ CIRCULATION : where do you go?

complete workshop activity, and/or describe here:

+ HOW DO YOU USE NORTH OCEAN BEACH? : what activities do you like?

North and South Ocean Beach

+ YOUR INTERESTS : what needs improvement? what would you like to see at Ocean Beach that is not there already? what have we missed?

thank you for your time and responses!
