

An aerial photograph of San Jose, California, featuring a prominent green semi-transparent overlay. A white rectangular box is centered on the overlay, containing the text 'SAN JOSE' in large, bold, white capital letters, and 'CAPITAL OF SILICON VALLEY' in smaller, white capital letters below it. The background shows a mix of urban architecture, including modern glass skyscrapers and older buildings, with palm trees and a multi-lane highway visible in the foreground. An airplane is seen flying in the sky above the city.

Building Up Urban Manufacturing 10/5

Regional Manager, George Chao

**MEP • MANUFACTURING
EXTENSION PARTNERSHIP**

VISION

A division of the Commerce Department; NIST MEP is a catalyst for strengthening American manufacturing – accelerating its ongoing transformation into a more efficient and powerful engine of innovation driving economic growth and job creation.

MISSION

To act as a strategic advisor to promote business growth and connect manufacturers to public and private resources essential for increased competitiveness and profitability.

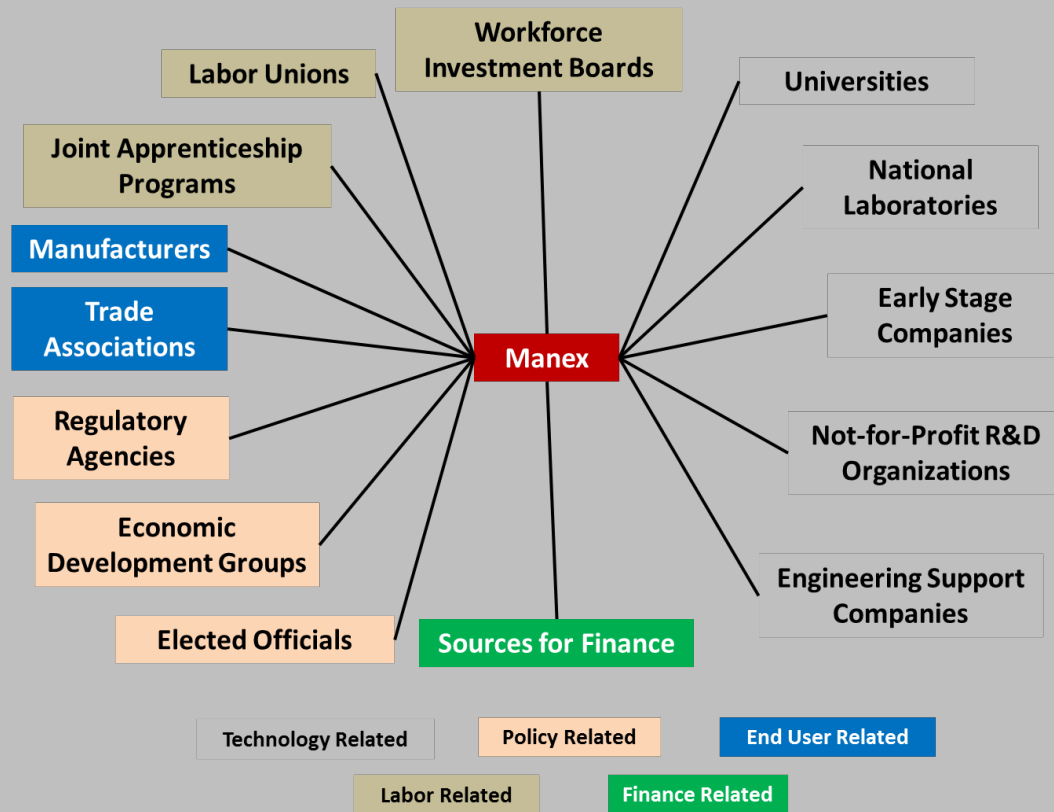

What NIST MEP Does

- **Focus on meeting manufacturers' near term needs, but in context of overall company strategy**
- **NIST MEP Center areas of common strength:**
 - Engineering Services for products and processes
 - Growth Services – new or expanded market opportunities
 - Lean Manufacturing
 - Quality Systems
 - Workforce Development; including leadership, management and production
- **Reach nearly 33,000 manufacturing firms and complete over 10,000 projects per year**
- **Work closely with Economic Development, Energy, Education, Workforce, Defense, and Industry Stakeholders**
