Is There A Solution?

Bringing Bus Priority to Freeways

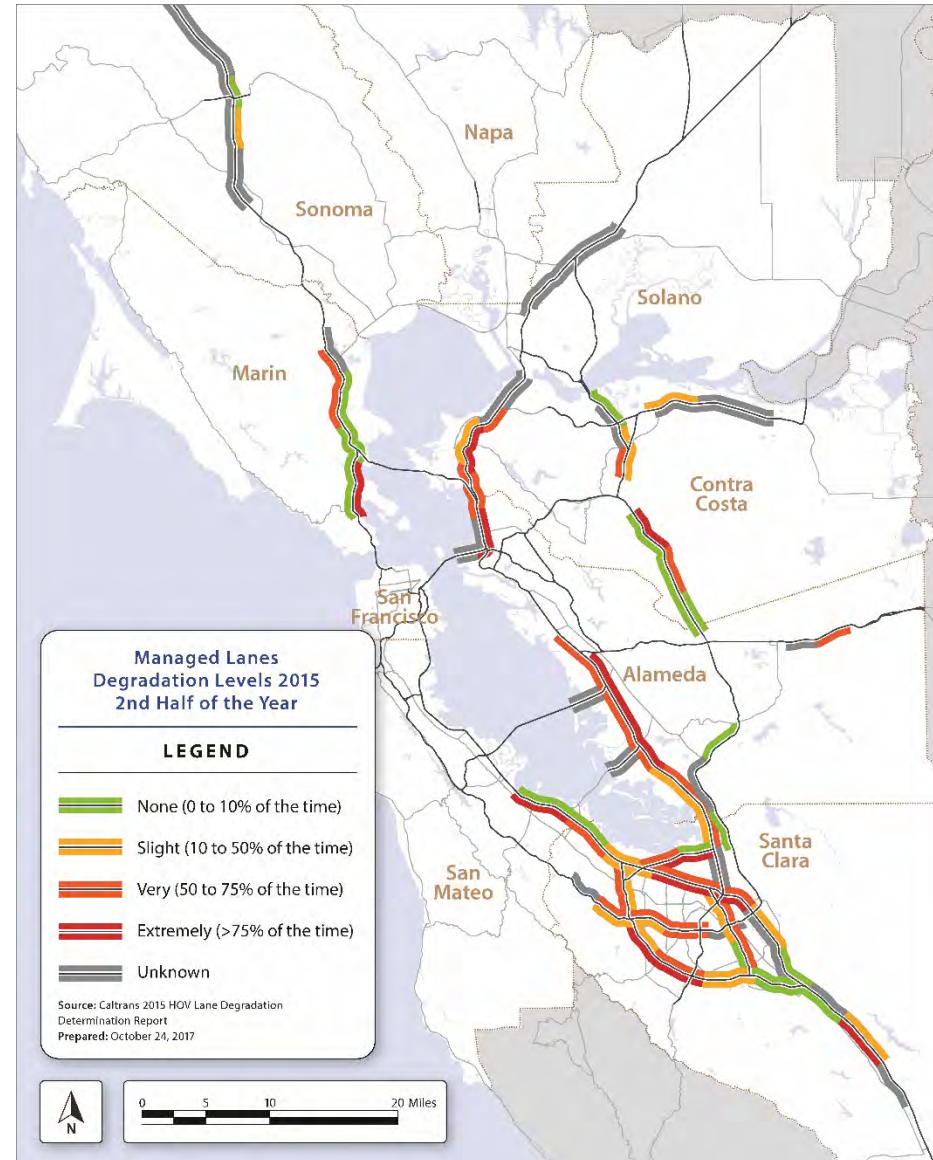

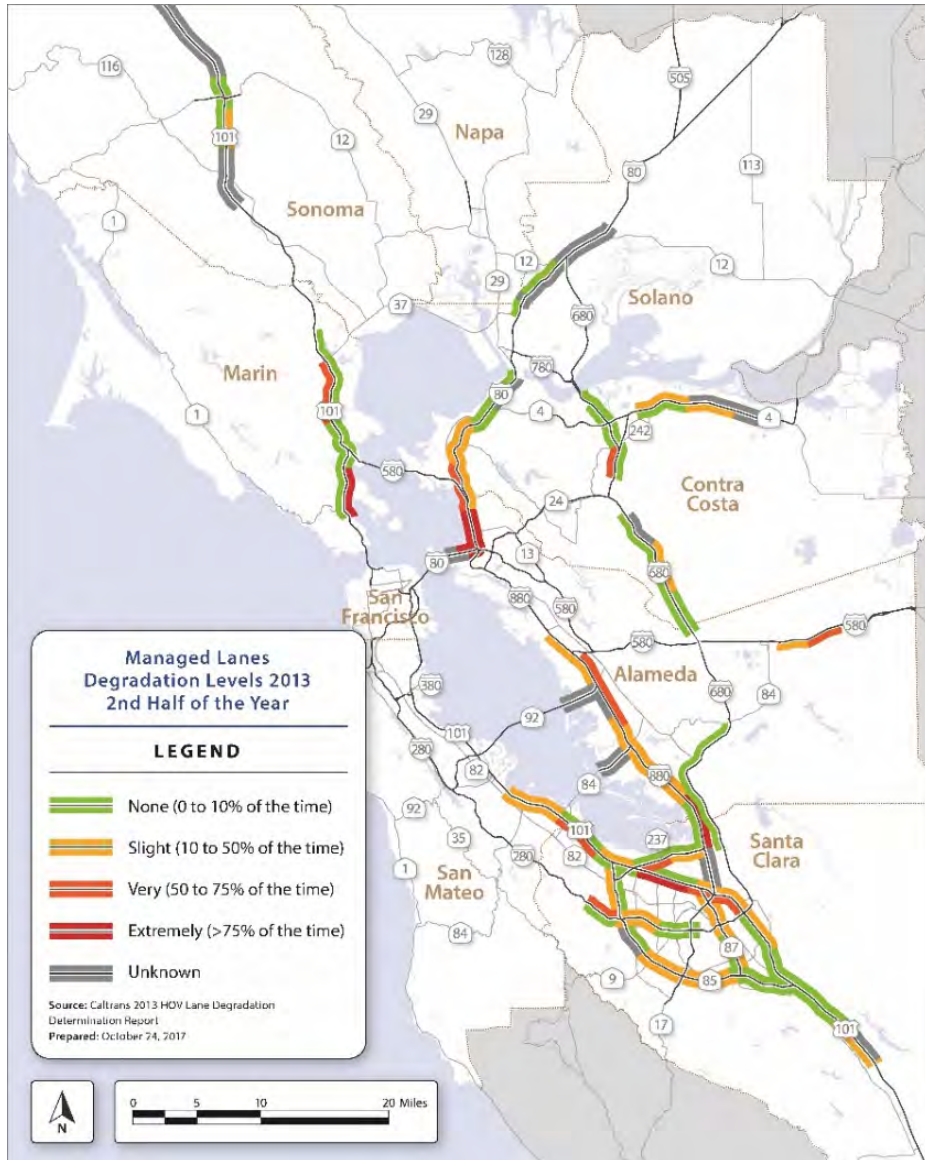

Carpool Lanes

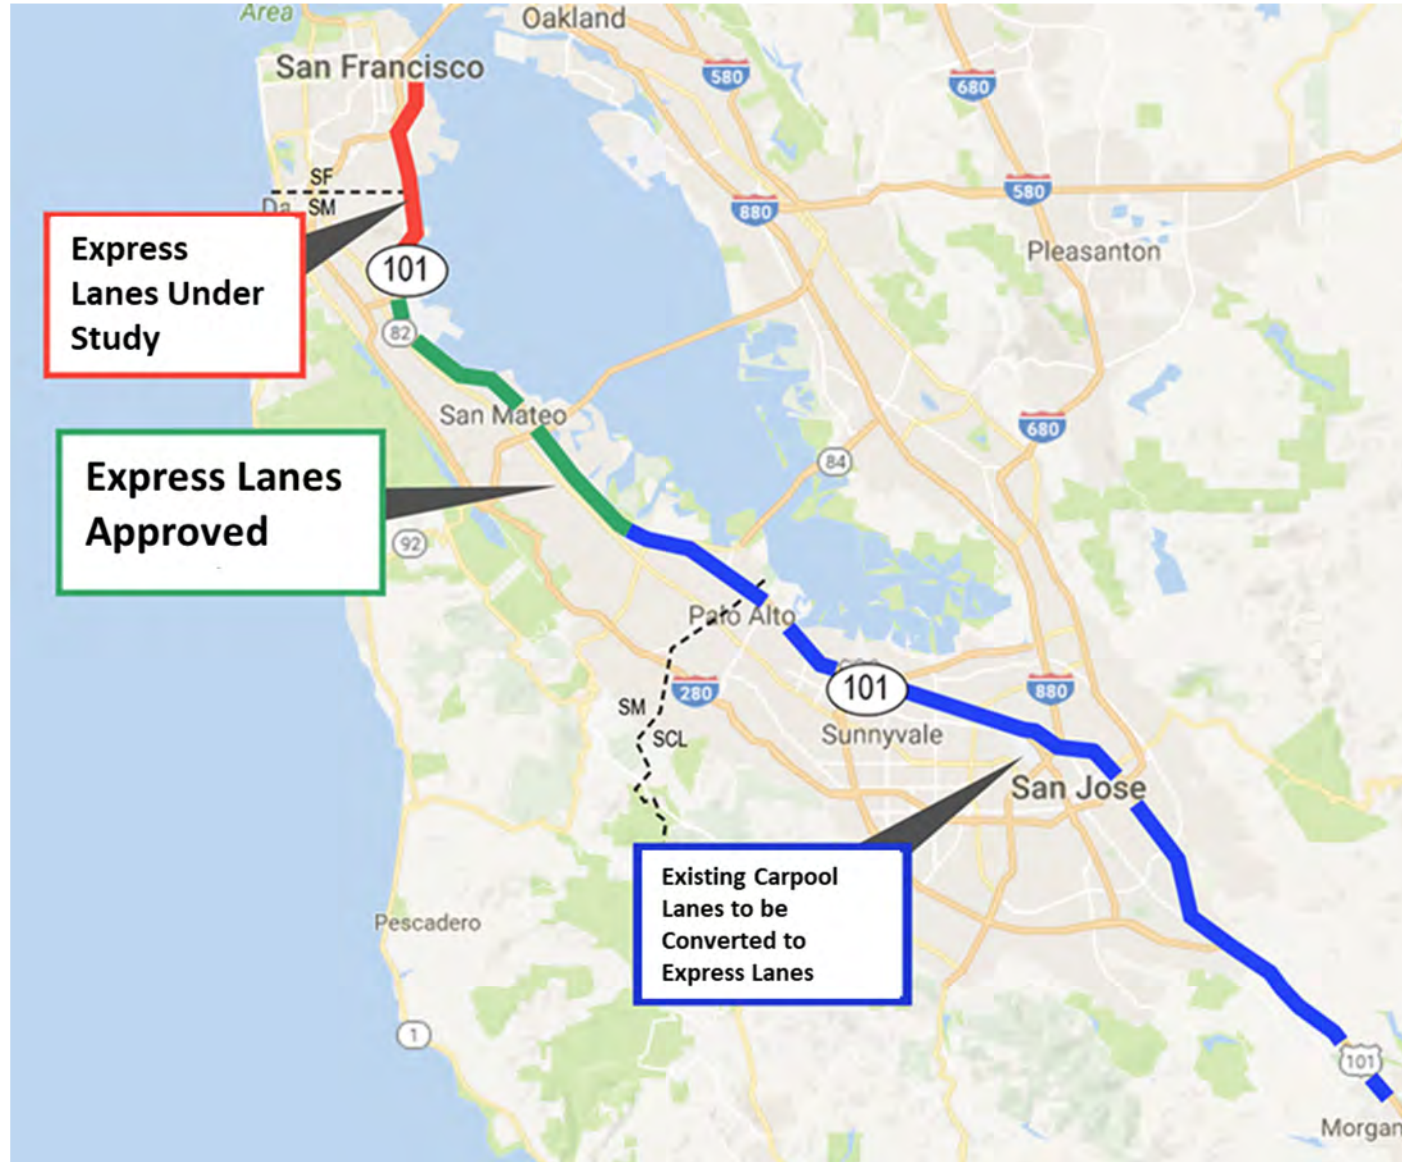

Express Lanes

What Does Freeway Bus Priority Look Like Now?

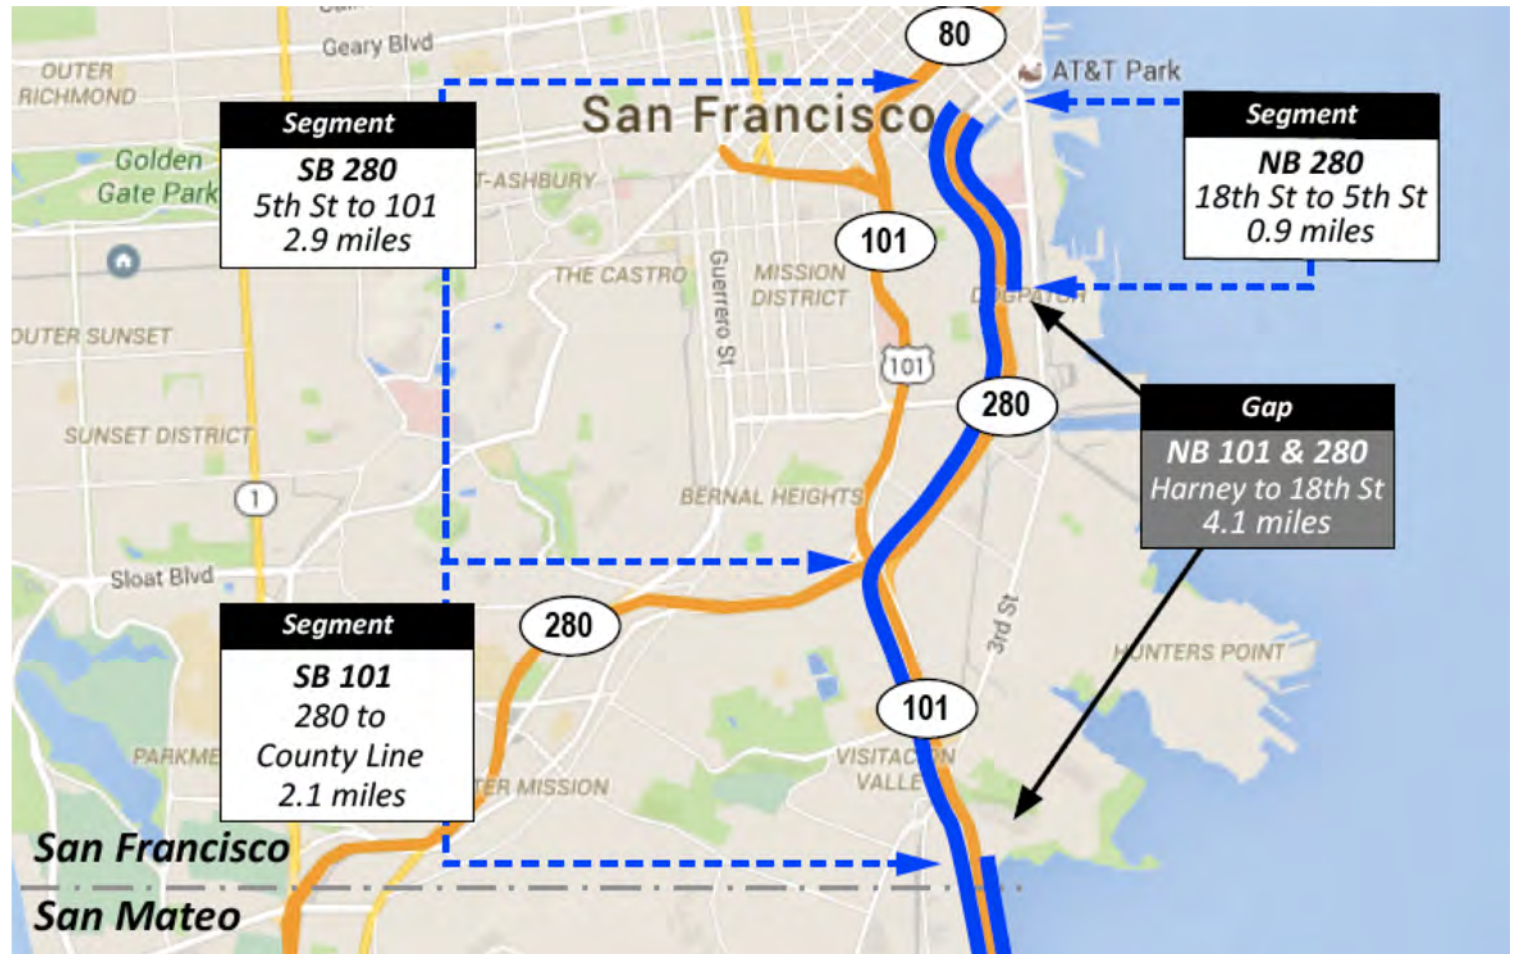

What About US 101?

What About San Francisco?

- San Francisco is Constrained
 - No appetite for freeway expansion
 - Some freeway segments are congested all day
- Explored feasibility of converting existing freeway lanes in locations where capacity exists
 - US 101
 - I-280

Wrap Up

- Getting buses out of traffic is essential to getting people in buses
- We **can** re-think our freeways!
- The local street toolbox is important, too
