**Re: Assembly Bill 2057 (Chiu) - Support**

Dear Assemblymember Chiu,

SPUR supports Assembly Bill 2057, the Bay Area Seamless Transit Act, which is an important first step in creating an integrated, equitable, resilient, and efficient public transit system in the Bay Area. SPUR's *Seamless Transit* report argued that the Bay Area is threatened by fragmentation in the public transit system and made the case for integrating our many public transit services so they function like one rational, easy-to-use network. AB 2057 will initiate a process for reform that can support this goal.

Sincerely,

Laura Tolkoff
