00:28:51 Sherry Zhu / SPUR Public Programs: Have a question about what's been discussed so far? Make sure to submit it through the Q&A function so we can answer it later!

00:33:44 Kyle Griffith: We can't see the PPT anymore.

00:36:04 Jan Warren: we also didn't see the former graph

00:46:11 Jackson Nutt-Beers / SPUR: We'd love to hear from you! If you have a question for our panelists, please submit them using the Q&A function!

01:09:24 Justin Skarb: It should be noted that the CPUC only regulates water suppliers that serve about 20% of Californians, and the largest of those utilities all have low-income support programs. The other 80% of Californians are served by agencies not regulated by the CPUC and the vast majority do not have any low-income support programs.
