00:12:25 Sherry Zhu / SPUR Public Engagement: Join us for our next digital discourse happening tomorrow at 12:30! <https://www.spur.org/events/2023-07-27/planning-future-frameworks-more-equitable-and-complete-communities>

00:25:31 Carter LAvin: Do you have a ranking of the rough costs for the treatments and estimated service improvement from them? For example the queue jump vs. the signal priority

00:42:58 Roland Lebrun: Could someone please resolve the issue with the blank closed captioning and the transcript?

00:43:04 Alex Lantsberg: a key element of a well functioning transit system is appropriate infrastructure. here's a webinar discussing how In-Motion-Charging trolleybuses are a superior decarb option that fits in well with BUus Rapid Transit and other tools discussed here.
