

00:24:40 Carolyn / SPUR: Welcome to the SPUR program! Thank you so much for joining us for this Digital Discourse today.

00:27:18 Carolyn / SPUR: Thanks for joining us today! 😊A quick reminder that questions should be submitted through the Q&A panel and we will answer as many as we can towards the end of the session. The chat is available for folks to share their thoughts and engage with other attendees.

00:41:37 Carolyn / SPUR: Have a question about what's been discussed so far? Make sure to submit it through the Q&A panel and we'll get to it towards the end of the session!

01:02:35 Carolyn / SPUR: We'll be transitioning to the audience Q&A portion soon - submit any remaining questions you have for the panelists through the Q&A tab!

01:17:27 Michael Sacks: why are we concerned about transit and hov lanes slowing car traffic? doesn't public transit do best when it's faster than driving private cars?

01:22:51 Carolyn / SPUR: Thank you for joining us! We look forward to seeing you at the next SPUR program!
