Downtown Congestion Pricing Study

May 1, 2019

San Francisco County Transportation Authority
Congestion downtown continues to get worse

Weekday PM peak delay, 2017
What are we already doing?

2010 SF Study

What scenarios would be feasible and effective?

What improvements should be part of the package?

What are the potential benefits and impacts?
2010 key issues

Stakeholders raised questions about:

Costs to low-income travelers
Effects on businesses
Transit system capacity
Parking & traffic diversions
2008 travel modes

To Northeast SF by income (pm peak)

2008 HOUSEHOLD INCOME
