SNS Vision, Mission & Beliefs

Vision

Student Nutrition Services is a student centered, equitable, and financially stable school food eco-system that provides dignified meal experiences and engages all students in eating fresh, healthy food.

Mission

Everyday we nourish our students with food that enables them to live healthy lives and thrive inside and outside the classroom.

Core Beliefs

Equity: Hungry students have a difficult time learning and school meals help close the achievement gap by providing the nourishment needed to learn.

Community: Meal times provide opportunities to foster a fun and supportive environment that emphasizes a sense of community.

Wellness: School meals can relieve hunger, promote health, and encourage students to develop positive eating habits for life.

Partnership: Partnerships inside and outside of the school building are essential to achieving our vision.

Accountability: A thriving workforce, modernized business infrastructure, and innovative mindset will create more financial stability.

SNS Goals

1. *Nourish Our Students with Good Food*
2. *Create Dignified Built Environments*
3. *Support a Thriving Workforce*
4. *Build a Strong Food Culture*
